

Book of the Month

2025

Each month, our Book of the Month takes centre stage at storytime and ties beautifully into our monthly themes. These stories inspire more than just reading – they set the tone for crafts, activities, and even adventures that our team and little ones dive into together!

The books we select are thoughtfully chosen to nurture curiosity, creativity, and early learning skills. Plus, if you're looking for bookish gift ideas, these titles make wonderful choices for family and friends, offering both joyful tales and age-appropriate reads to treasure at home.
